Quantity	Article Description	Unit Price (excl. VAT)	Total
	Delyba® 50 mg, 48 film-coated tablets	£1250.00	

Please note - each box of 48 tablets is sufficient for 12 days treatment and a total of 14 boxes are required for a full 24 week course.

Please tick one box only:

This order is an initial supply for a patient. Start date ___/___/____. Estimated end date ___/___/____.

I also confirm that:

- The order complies with the Clinical Commissioning Policy for delamanid (NHSE F04/P/a).
- Pharmacovigilance reporting guidelines will be followed.
- The risk minimisation information supplied will be provided to the treating physician.
- Educational information will be provided to patients on the risk of use during pregnancy and breastfeeding as appropriate.

This order is a re-supply for a patient.

Please tick, if applicable, in order to avoid sending/receiving multiple copies of the educational materials:

"Delyba™ (delamanid) - Important Risk Minimisation Information" brochure already received by the physician.

"Using Delyba™ (delamanid) during pregnancy and breastfeeding" brochure already received by the patient.
